Congratulations!

You have chosen a product from the high-quality collection of Wörner Südfrottier. This product has been manufactured in accordance with our strict quality standards and complies with the high requirements of the GOTS standard ([www.global-standard.org](http://www.global-standard.org)).

Our products are equipped to a high standard of quality and therefore colour-fast. However, we recommend that you only wash this product with like colours and **EXACTLY ACCORDING TO THE CARE LABEL**. Please do not wash at a higher or lower temperature, as this will impact the brightness of the colours and create fuzz.

Care tips: When washing, make sure that no hooks or Velcro fasteners come in contact with the terrycloth.
